

Get the most from Sage Intacct® with JMT's EVP program!

Protect Your Investment

JMT Consulting Group's EVP (Extended Value Plan) program contains all of the benefits and services your organization needs to optimize your use of Sage Intacct. The only thing you need to do is subscribe!

Achieve Peak Performance

When you purchase software from JMT, you're buying a high performance solution. No matter how powerful, software cannot operate itself. JMT's EVP program offers free web-based training classes, discounts on customized training, and high quality, guaranteed response time from our support team.

Sage Intacct System Review ("ISR")

- JMT meets with you to identify requirements and/or other issues needing attention
- JMT reviews applications and functionalities in use within client's Sage Intacct company to confirm your configuration and cross-reference against your organization's requirements
- Dashboard and Reports Review
- JMT will provide a "Summary of Findings" report document capturing current configurations and usage, client requirements, and recommended solutions. Upon client's request, JMT will provide a proposal for any services recommended in summary of findings report.
- Quarterly update utilization

Features:

- Unlimited Attendance at Web-based Training Classes
- Unlimited JMT Support
- INNOVATE Conference Discounts
- Access to JMT's Webinar Library
- Escalating Benefits Upon Renewal
 - 10% Services discount
 - Annual Sage Intacct System Review

Smart Rules & Smart Events are supported as part of our Extended Value Plan (EVP) if they have been created and set up by JMT. JMT is unable to provide EVP support for Smart Rules set up by the client or Smart Rules that have been set up by JMT but modified by the client. Support needed in this case will be a billable charge.

EVP Features for Sage Intacct® Accounting

Unlimited Web-based Training

JMT makes training easy and flexible by providing an extensive selection of free web-based training classes for Sage Intacct.

Unlimited JMT Support

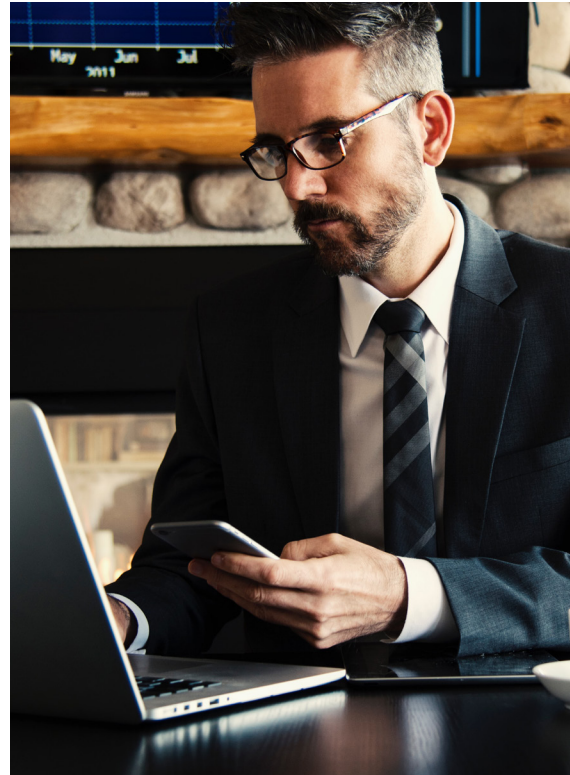

When you need us most, JMT guarantees* that we'll be there for you. Our consultants know how to support your system better than anyone due to our years of experience exclusively with Nonprofits

INNOVATE Discounts

INNOVATE is JMT Consulting's educational training conference specifically tailored for financial nonprofit professionals. INNOVATE not only offers you a low-cost training opportunity (earn up to 12 CPE credits) but also gives you the chance to generate new ideas, collaborate with other nonprofits, and explore cloud-driven technology solutions.

Services Discounts

Save money all year with discounts on consulting services.

*Note: Guaranteed Response Time is 6 Hours

You've Got Questions - We've Got Answers!

Q. What is the term length for EVP?

Answer: Each plan is based on a one year term, which starts on your date of purchase or when you enroll.

Q. Which products does EVP cover?

Answer: Currently, JMT offers EVP for Sage Intacct®, Vena, Adaptive Insights and Nexonia. Each product has a separate EVP program, which is priced individually.

Q. What are the limits on the unlimited Web-based training classes?

Answer: Anyone on your staff is eligible to take the classes and repeat them as needed.

Q. What are the limits on support?

Answer: JMT Consultants are available to handle questions that can be resolved in 20 minutes or less. Support is not meant to replace training and as such is limited to trained employees only.

Q. What is a "guaranteed response"?

Answer: We understand our clients' need for timely support and are committed to responding quickly during normal business hours. We'll direct your call to one of our highly trained consultants who guarantee a response within 6 hours. If the guaranteed response time is not met, JMT will issue a \$100 JMT Funds coupon

Q. How do I contact JMT to purchase EVP?

Answer: You can email us at cam@jmtconsulting.com or call us toll-free at 888-368-2463.

Q. As an EVP client, how do I contact JMT for support?

Answer: You can email us at support@jmtconsulting.com or call us toll-free at 888-368-2463.
