

JMT Consulting or a CPA: Which Path To Take?

CPA Firm

- Only dabbles in tech
- Inflated costs

Check AICPA guidelines before providing ongoing software support to clients.

JMT Consulting

is 100% dedicated to guiding you through...

COST-EFFECTIVE DECISIONS

JMT guides you through potential roadblocks – upfront costs, licensing fees, implementation expenses, and maintenance charges – to offer scalable solutions that drive growth without excessive costs.

TAILORED SOLUTIONS

JMT remains unbiased in software preferences, focusing solely on finding the right path for your nonprofit.

SOFTWARE EXPERTISE

JMT partners with proven solution providers to deliver the features and functions suited to your needs.

WIDE MARKET KNOWLEDGE

JMT surveys the evolving landscape of software trends, advancements, and technologies to create a roadmap that leads you towards informed decisions.

PROJECT MANAGEMENT & SUPPORT

JMT guides your organization throughout software implementation - defining objectives, developing plans, and overseeing deployment to ensure a smooth journey.

DEDICATED ACCOUNT MANAGER

JMT provides a dedicated resource through our Client Experience team to understand your goals, stay connected, and deliver a full return on your investment.

Cloud-based accounting delivers **3.2X MORE ROI** than on-premises software

30+ YEARS of experience with 2,000+ nonprofits

Our certified NFP veterans deliver results without the limitations or inflated costs of a CPA firm.
